San Diego Fires Force ABC to Close Two Offices

San Diego and San Marcos Offices Closed until Fire Danger is Reduced

San Diego - The California Alcoholic Beverage Control (ABC) has closed two offices because of the devastating impact of the Southern California wildfires.

The two offices temporarily closed until further notice are:

The San Diego Office located at 1350 Front Street, Room 5056, San Diego

The San Marcos Office located at 334 Via Vera Cruz, Suite 204, San Marcos

The Department also had to postpone its annual drawing for new general licenses that was scheduled for today in the San Diego Office. The Department will reschedule the drawing in early November. All those who planned to attend were notified yesterday.

“Our thoughts are with all Californians who have been impacted by these horrible fires and winds,” said ABC Director Steve Hardy. “ABC will continue to provide services at all other offices in communities throughout the State.”

Any questions regarding the office closures may be referred to John Carr, ABC Public Information Officer at 916-419-2525 or 916-826-8287.

ABC is a department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor’s Cabinet.
